Dear Mr Wolhuter,

Application for Registration in the National Electricity Market

I confirm the registration under the National Electricity Rules (Rules) as follows:

Applicant	Powermetric Metering Pty Ltd
Applicant's ABN	89 131 072 707
Registration Category	Metering Coordinator
Registration Restrictions	The performance of the obligations of a Metering Coordinator in respect of types 1, 2, 3 and 4 metering installations.
Registration Effective Date	1 December 2017
Registration Conditions	Powermetric Metering Pty Ltd to comply with the following conditions: <ul style="list-style-type: none">Continued demonstration to AEMO of the ability to comply with the Rules and procedures authorised under the Rules through provision of an annual independent audit demonstrating compliance, the first one to be completed within one month of the anniversary of the effective date and annually thereafter;Providing evidence of the independence of the auditor and suitability of the auditor to assess compliance to be lodged with the annual independent audit;Providing copies of certificates of currency of all insurance policies required to be held by it in its capacity as a Metering Coordinator; andIn the event the Applicant applies to cease its registration, providing copies of certificates of currency for insurance held by it in its capacity as Metering Coordinator for a period of at least seven years from the proposed date of cessation.

Asset Management Strategy

Please note Metering have indicated this approval of registration in the role of Metering Coordinator does not constitute AEMO's approval of any Asset Management Strategy provided in support of the application, as contemplated in clause 8 of the

Metrology Procedure: Part A. AEMO will communicate independently from this notification of registration with respect to any Asset Management Strategy which has been provided for AEMO's assessment.

AEMO offers assistance to Registered Participants and interested parties through a number of services and information sources. If you require further information, you can use these in the first instance:

- AEMO website: www.aemo.com.au - the site contains a broad range of information and data relating to AEMO, gas and electricity operational information.
- AEMO Information and Support Hub: 1300 236 600 or supporthub@aemo.com.au:
 - The preferred first point of contact with AEMO. The centre provides information across the breadth of AEMO's activities and the energy industry generally.
 - Participant specific services to address problems with connecting to and accessing AEMO IT systems.

AEMO Registration Desk: 1300 236 600 or Registration.Desk@aemo.com.au - if you require further information relating to new registrations or changes to your existing registration.

Yours sincerely,

Ruth Guest
